# TEXTURE DRAWING

When drawing **texture**, you try show how it might feel if you touched it.
Try to draw what you think the animals would feel like!
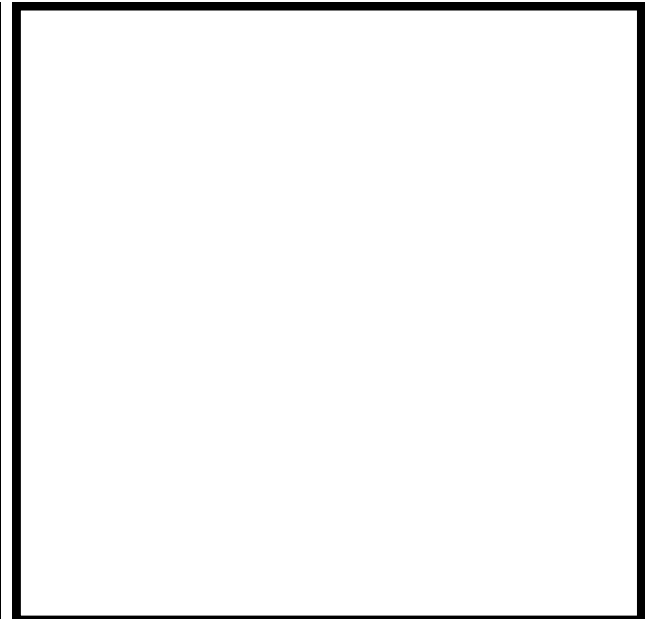

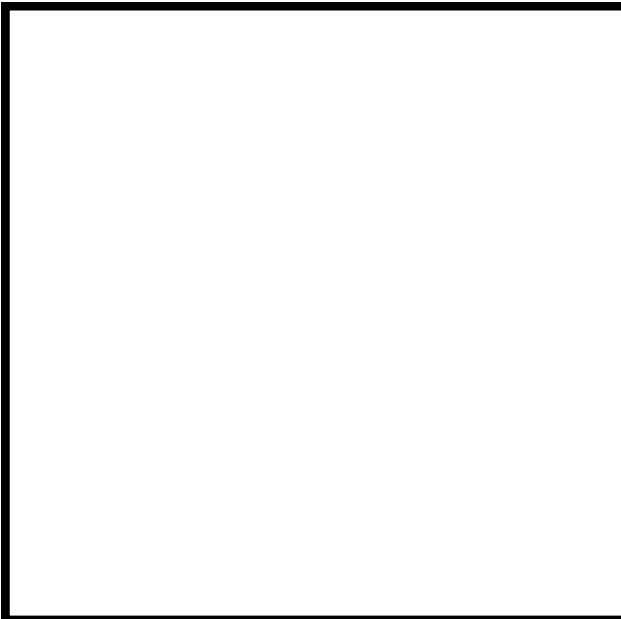

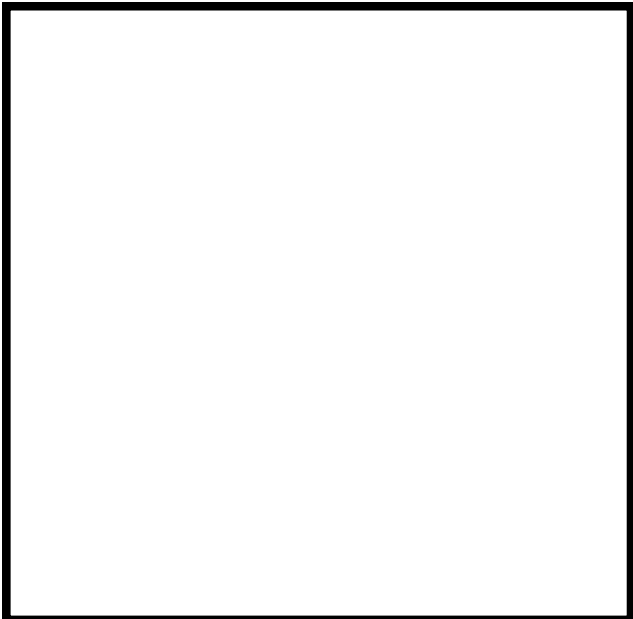

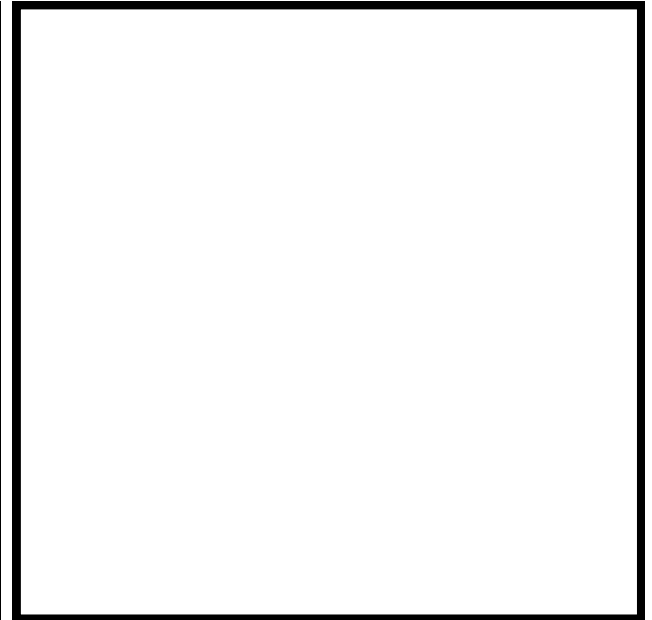

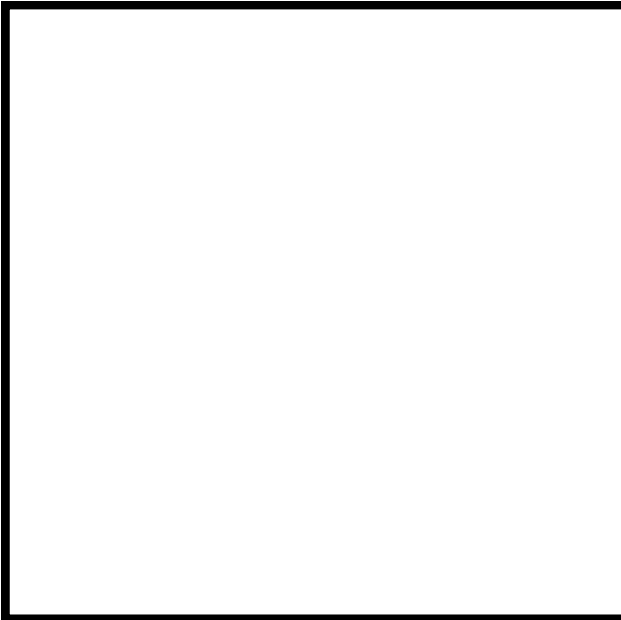

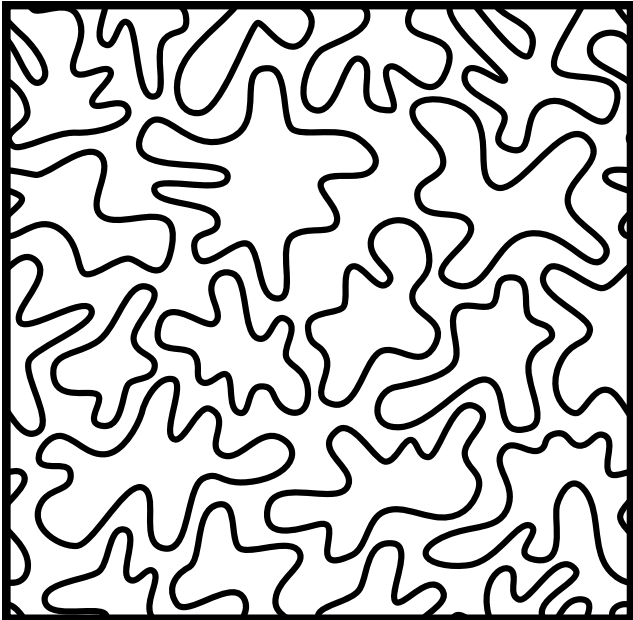

Other things have textures too, like plants. Try to draw what you think the plants might feel like!

PATTERN DRAWING

When drawing **patterns,** you can add cool shapes to your drawings.
Try to make your own patterns in each square like the example!

TEXTURE DRAWING

Practice drawing textures from the examples below
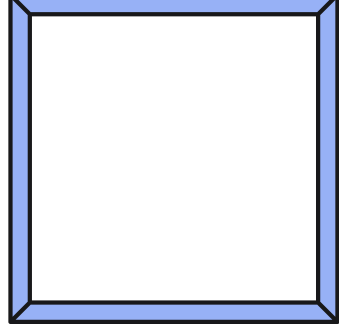

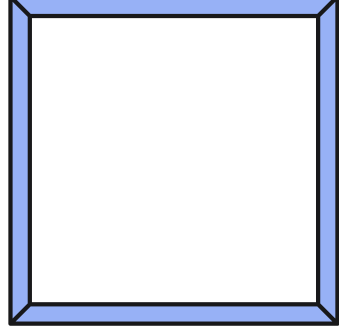

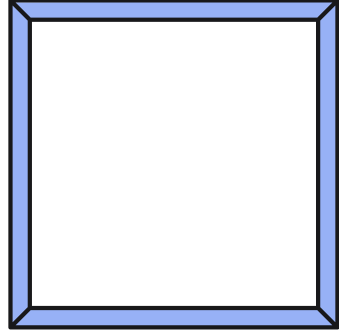

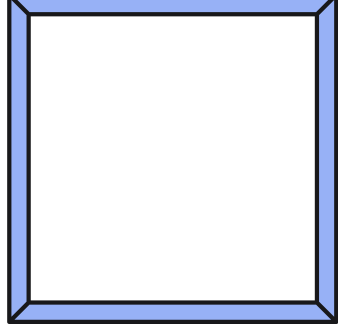

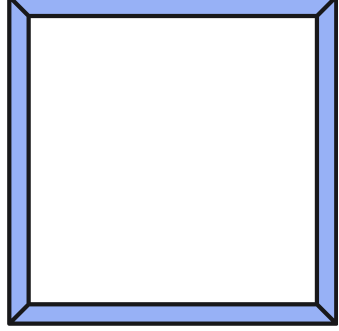

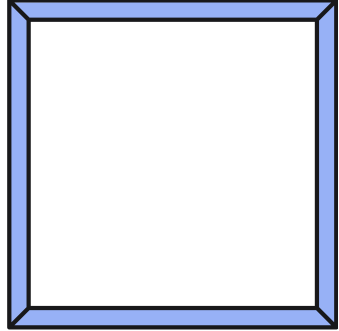

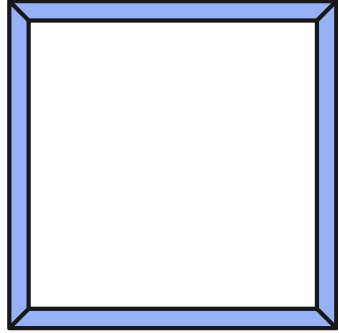

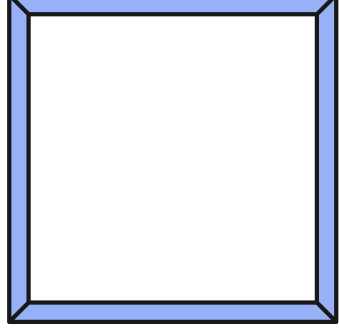

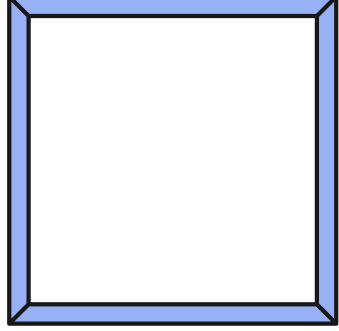

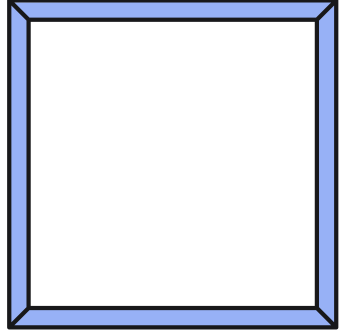

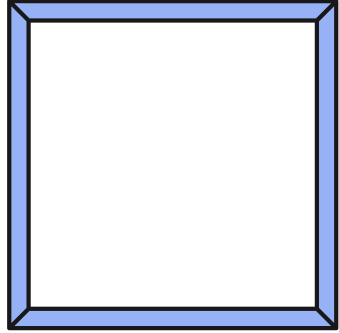

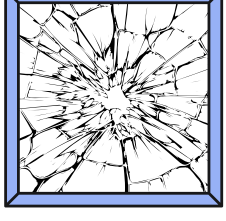

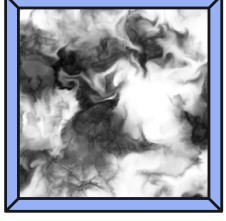

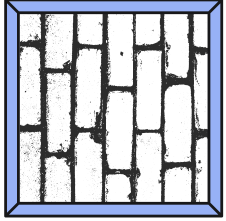

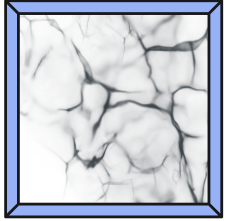

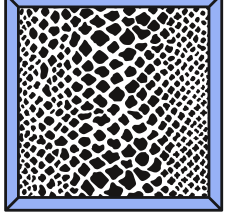

PATTERN DRAWING

Practice drawing patterns from the examples below, or making your own!
